

**Materials:**

- 8PCX10W Cree LED. White color
- Color temperature: 6500K
- Die cast aluminum alloy (ADC12) heat-sink
- PMMA lens
- Anodized polyester powdercoat
- Stainless steel mounting bracket

**Features:**

- FLOOD BEAM
- Integrated Electronic Thermal Management (ETM)
- Self-developed Multi-surface LENS
- EMC Compliant
- Over / Under Voltage Protection
- Reverse Polarity Protection
- UV resistant, shock resistant
- IP 67
- 50,000+ Hr LED Lifespan
- 1 year warranty
